

# morning

7am – 12am

## arp breakfast

71 per person

our breakfast was created by chef roberta sudbrack who presents an idea of brazil full of craft, thoughts, flavors and culture. our products come from all over the country, crafted by small producers mainly using artisanal methods. our bread, jam, quitanda and granola are homemade. our fruits and vegetables are fresh and received daily from organic family farms. we strive to offer a selection of items that transpires brazilianess and provide you with a smooth and relaxed vibe to the beginning of the day.
